They will understand the importance of what they do and have a strong sense of duty when it comes to protecting and serving the residents within Woodmere Village. Their efforts, hard work, and courage will be a great source of pride for our department.

Woodmere Village Police will strive to meet and exceed the challenges facing us each and every day. To accomplish this, the department will implement several programs including a newly created Children and Police Engaged in Learning, Personal Safety, Community Watch, Law N You, Senior Citizen Safety, and Bicycle Safety to name a few. I would like to emphasize that the Woodmere Village Police Department will strive to hire the best and brightest officers and we will always seek candidates with outstanding qualities. We look for officers that demonstrate integrity and responsibility; are community orientated, and can appreciate diversity. Above all, we look for officers who will understand the value of safe communities, wants to be part of the Woodmere Village family and will assist my merchants and I to help make Woodmere Village an enjoyable place to live, work, and visit.
